# FROM THE DRESSING ROOM

I'd like to give a warm welcome to the Northampton Sileby directors, management, players and supporters.

We haven't had a home game since we played Chenecks, so I will touch on that game first. It was a great challenge, and to comfortably beat a very good side in Chenecks 3-1 was an achievement the boys should be proud of.

We have had several games postponed, which was very frustrating, but we finally faced Caddington in the cup, which saw an empathetic 13-0 win. It was a professional performance from everyone involved, and we now face Leighton Town Reserves in the semi-final.

We then had Eaton Socon away, who recently made many changes to their squad, which always poses a challenge when preparing for a game. Again the boys put in a professional away performance on what was a difficult pitch to play on. It was a comfortable 3-0 win, but it could've been much more as we

created a lot of chances in the second half.

The levels the boys reached in their last three games are what we need from now until the end of the season, and if we all do this, then we should have a positive outcome come the end of April.

Today is another big challenge for everyone. Sileby are currently in a playoff position and have a very good squad. It's an important game for both sides so I'm sure it'll be brilliant to watch and we hope, as always, we get another positive result.

I want to say a massive thank you to the fans. The support you are showing this group of players is special. We have a really important month ahead, with four home games, so please continue to show us your support, as it makes a difference.

**Rob Sinclair,**  
Manager

# FROM THE BOARDROOM

Our club gets a lot of attention relative to its level, which is no surprise after I declared that he will us into the Premier League in a decade. Yes, nine promotions in ten seasons (I gave us one year off because I know not everything will go our way).

Jokes aside, we have a challenging but realistic ambition of getting Real Bedford into the football league, six promotions away. Whether it can or will happen are two different things. We know it can happen; whether it will is a responsibility I don't take lightly.

There have been a lot of comments regarding our playing budget. The truth is, nobody knows our budget, and it is modest compared to what we spent attempt-

ing to get into the playoffs last season. These loose accusations of what we have spent are also an insult to everyone at the club, the players' hard work, the manager and his team.

What people don't see is what happens behind the scenes. They don't know how hard Rob works or the hours he puts into ensuring that the team is fully prepared for every game. They don't see how the captain builds a spirit in the dressing room and supports the young players. They don't know how hard my team works to prepare for the best match day possible, and they don't see how hard I work on the business side.

Football is capitalist, and money plays a big part. It funds the team,

the lady's team, youth teams, ground development, marketing, operational costs, etc. For the club to have the resources to invest in the team and win multiple promotions it must be a great business. As such, we are not just competing with the opposition players; our club competes with other clubs, and I compete with the opposition chairmen.

If we are to fulfil this dream, it won't be because of the money we spend on players. It will be because of the work done by everyone involved with Real Bedford.

We need to make this club sustainable, which means creating a team that local fans buy into. If we do this, they will want to come to week in and week out and support

the lads. We need to build a sales operation which grows incremental non-match day revenue, and we need to build a club which sponsors want to get behind. These revenue pillars will allow us to invest in the ground, manager and team.

I have come to recognise how hard football is. The lesson from last season is you can't just throw money at players. You must build a club and culture and recruit people who can get fully behind this.

If we are successful this season, it will be because of the hard work of everyone.

**Peter McCormack,  
Chairman**

# CAPTAIN'S CORNER

After the Langford defeat, the dressing room was hurting. The lads knew that it was an under-par performance from everyone. We know we can't win every game, but we have set such high standards this season; getting the New Year off with a defeat was disappointing.

We know our target for the season, and following Langford, Chenecks posed a significant challenge to get back to winning ways. They have one of the strongest teams in the league, and with similar ambitions to us, we knew they were coming to win.

We trained hard on in preparation, and the spirit in the camp was good. I was particularly impressed with the young lads, it is easy to get lost in a dressing room when you are coming through the game, but they reacted equally to the defeat.

In preparation for Chenecks, the manager told us that he needed to see a response and that we had to go out and win. We knew that back-to-back defeats would be unacceptable, and we needed a send a message to the teams chasing us down. The lads played so well. We didn't just win; we won convincingly. We pressed hard, passed the ball well, and took our chances.

Following Chenecks we had two more solid wins. Firstly we beat Caddington S&S 13-0 in the County Cup, and we followed that with a 3 - 0 win away at Eaton Socon. We could have taken Caddington lightly, but the lads were committed for the entire game, recording a record victory for Real Bedford.

The games are coming thick and fast, and today we welcome Northampton Sileby to McMullen Park, who have their own promotion aspirations. You don't win the league in October and November; you win it over the season, but as conditions change, it brings new challenges to the best of teams. The dirty months of December through February are a test for everyone, and we must adapt our play to the conditions.

We have 15 cup finals left now, and there is no time to relax; if anything, it is more foot on the gas to get the job done. We must approach every game like Chenecks and leave no room for complacency. One game at a time, one month at a time, the lads and I will keep giving it all until the final whistle in April.

## FROM THE PENALTY AREA

In 2017 when I retired from football, I promised myself and my wife that I would not be involved in non-league football again. I had a good career and some great times, but I was happy in my retirement.

Since setting up my coaching school, I have had many offers to coach men's goalkeepers in non-league, but none of them made me want to come out of retirement. I was content with what I had and didn't fancy the additional demands of being involved with a team again.

Earlier this year, I received a text message from Rob Sinclair regarding the job of first-team goalkeeper coach for Real Bedford. He explained the vision he and the chairman had, and after five minutes of talking, I knew it was too good to turn down, so here I am.

I can honestly say the last four months have been wonderful, and

everyone associated with the club has been so welcoming. There is so much togetherness at the club, which starts from the top with the Chairman, Peter.

Rob and Ducks have assembled an excellent team and squad and have set the level of professionalism they expect from the boys. I can assure you that money can not buy what these boys have. It is a pleasure to be around.

I must also give a special mention to all the staff, Tom, Emma and the volunteers. Everyone is so friendly at the club, and they all work hard on match days to support the team.

I am so excited to be part of this journey; the sky is the limit for this club.

Up The Pirates!

# REAL BEDFORD BOUNCE BACK WINNING 3 - 1 AGAINST NORT

**Real Bedford was looking to bounce back from the disappointing defeat to Langford on Saturday, and from the first whistle, their intentions were clear. New signing Curtis Hartley slotted comfortably into the defence, providing some extra solidity to the backline alongside the returning Tom Wood.**

The game's opening chance fell to Jordan Brown, put through via Dan Walker after an excellent first-time ball from Kevin Owusu but Brown's attempt at a tight angle was well saved by Brad Lashley.

Real Bedford's newest signing, Curtis Hartley, sparked the opening goal of the game. His quick-thinking throw-in fell to the feet of Dan Walker, whose cross found Matt Clifford in the box. Playing left-wing tonight, Clifford instinctively nodded the ball to the feet of Jordan Brown, who released a shot on the turn, finding the back of the net in the 13th minute.

Chenecks looked to respond, pouncing on a miscommunication at the back between Tom Wood and Luke Knight, put-

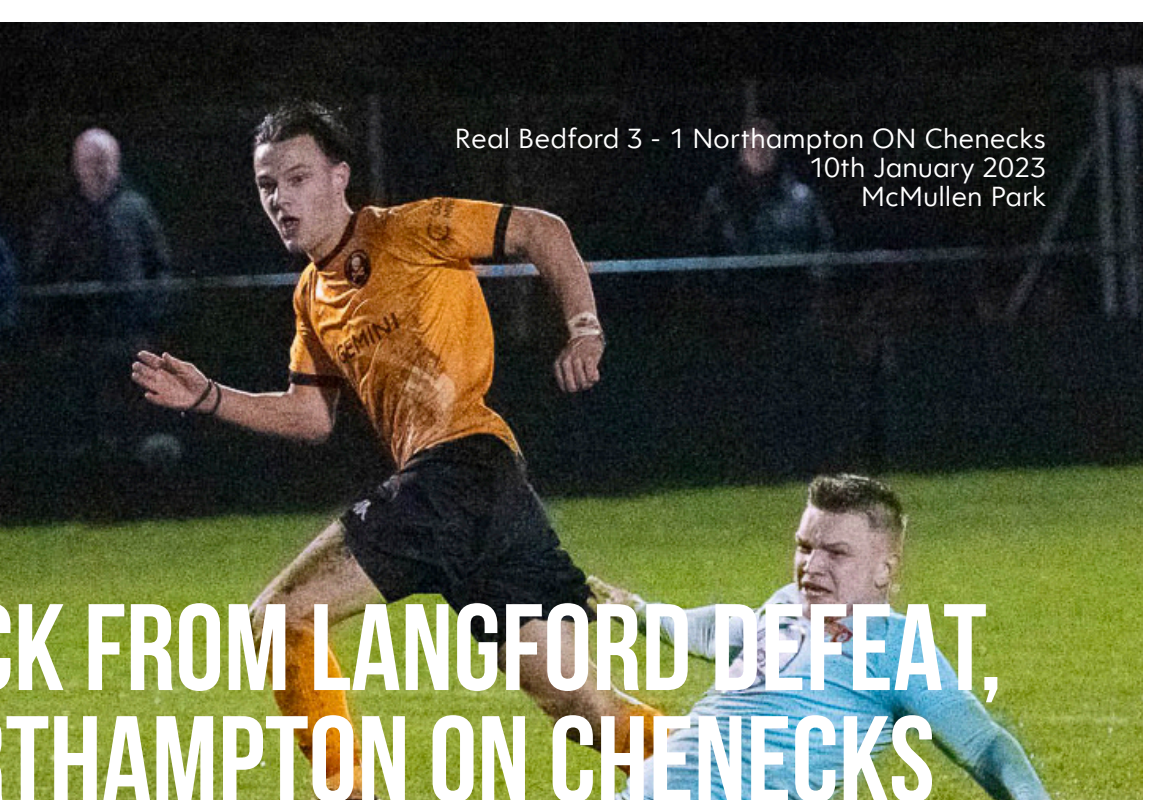

ting George Holman away, but the striker took a heavy touch, inviting McGregor to come out and collect. A warning for Real Bedford.

It wasn't long before Bedford doubled the lead. Dan Walker headed on a long clearance from Tyler McGregor, where Jack Ashton, in the Chenecks defence, lunged at the ball, knocking it back towards the goal. Eddie Corbit managed to collect the ball and break clear of the defence before unleashing a wicked shot beyond the reach of Lashley.

Bedford was not done there and had another chance to extend the lead before half-time. Another long ball caused problems in the Cheneck's defence, rebounding to Kevin Owusu, who looked to add to his long-range tally for the season, but the winger could not get the required height and power behind the ball.

## SECOND HALF

The pressure on Chenecks did not cease in the second half as The Pirates contin-

ued to press for another goal against the title challengers. Hartley, continuing his impressive debut, nearly made the third. Picking up the ball on the right wing, he crossed the ball into the box just beyond the reach of Jordan Brown. The ball fell to Clifford at the back post, who unleashed a fierce shot which Lashley saved well.

Chenecks didn't roll over though and their top scorer Dan Holman provided a constant threat. Just before the hour mark, Holman created Chenecks first clear-cut chance with a dangerous run down the left. He cut back inside and found a shot on target, but it lacked power, and the ever-consistent McGregor cleared with his feet.

Bedford continued to dominate possession and found their third goal in the 66th minute. A well-weighted pass from McGrath found Brown clear of the Cheneck's defence, who drove into the box before unleashing a low shot which Lashley could only parry into the feet of the oncoming Eddie Corbit, who collected his brace. 3-0 up with 25 minutes to go, The Pirates were in the driving seat.

Bedford nearly made it four after good interplay between Brown and Corbit again set up Walker. Breaking free down the left, Brown broke into the box and squared the ball to Walker, but his first-time shot was wide of the goal.

Chenecks continued to press and started to unlock the Real defence in the final 10 minutes of the game and found themselves with a consolation goal. Holman, the provider, found space on the left and lofted a perfect cross to the head of replacement striker Wilson who couldn't miss.

Despite the last-minute score, Real Bedford showed their worth throughout the 90 minutes, putting in a solid performance against a strong Chenecks side.

**RBFC:** McGregor, Hartley, Clifford, Knight, Wood, J. Duckett, McGrath (S. Sinclair, 90'), Corbit, Walker, Owusu, (Gordon, 75'), Brown (Burnside, 85').

**Unused Subs:** R.Duckett, Uttridge.

# REAL BEDFORD HIT 13 AG S&S TO REACH COUNTY C

**Real Bedford reached the semi-final of the Beds County Cup with a comfortable win against Spartan Division Two side Caddington S&S.**

Real Bedford secured a spot in the Bed's County Cup semi-final after winning 13-0 away to Caddington S&S. The conditions presented a challenge to both sets of players as recent weather has been a big challenge for groundskeepers across the country.

The game got off to a flying start for the away side, with Jordan Brown opening the scoring in the 5th minute. The goal came from a header on the goal line, assisted by the returning Tom Hitchcock.

Despite the early goal, Caddington had two opportunities to level the game, but Tyler McGregor made two fantastic saves to deny the home side.

Within a few minutes, it was 2-0,

Hitchcock adding a goal of his own, with Brown providing the assist this time. Brown continued his impressive performance, scoring his second in the 32nd minute and four minutes later completed his hat-trick.

Luke Knight added to Real Bedford's lead with a powerful header in the 37th minute, assisted by a pinpoint cross from Dan Walker. Walker then provided another assist, this time for Tom Wood. The Bedford striker completing four assists in the first half.

Real Bedford headed into the half-time break leading 6-0, with Caddington struggling to contain the attacking threat of the home team.

## **SECOND HALF**

In the second half, Real Bedford continued to dominate the game. Jordan Brown scored his fourth goal in the

27th minute, and Hitchcock added his second in the 61st minute. Dan Walker also got his name on the score-sheet in the 63rd minute, smashing in the rebound after a good save from the Caddington goalkeeper.

Eddie Corbit made it ten with a beautiful 20-yard drive in the 71st minute after great work from Claston Gordon. Jordan Brown then added his fifth goal in the 80th minute, and Rob Duckett scored in the 87th minute, the defender returning to the side after a recent injury.

Brown finished the scoring in the 88th minute with his sixth goal and Bedford's 13th, completing his double hat-trick.

Ahead of several crucial league games, it was important for the league leaders to perform well - a special mention for the commitment

and work rate of everyone on the pitch. The players could have taken their foot off the gas in the second half but gave everything for 90 minutes.

A special mention is also needed for both goalkeepers. Despite letting in 13 goals, Caddington's goalkeeper made several impressive saves, which prevented an even higher scoreline and Tyler McGregor, in the Bedford goal, also pulled off two outstanding saves.

We want to thank Caddington S&S for their hospitality and hard work ensuring the game was played.

**RBFC:** McGregor, Hartley (J. Duckett 60'), Wood (Uttridge, 45'), R. Duckett, Gordon, McGrath (Culley, 45'), Knight (Corbit 45'), Owusu, Hitchcock, Brown, Walker (Clifford, 64').

# REAL BEDFORD TAKE THRU WITH A 3 - 0 AWAY WIN

**Real Bedford returned to league action with a bang. The league leaders put three goals past Eaton Socon on the road to collecting another three points as the title race heats up. Goals from Tom Hitchcock, Luke Knight and Dan Walker giving Bedford the double over Eaton Socon on a cold Tuesday evening.**

The game got off to a perfect start for Real Bedford, opening the scoring in the 2nd minute. Matt Clifford played a teasing ball down the flank towards Jordan Brown, who tempted keeper Jeckells off his line. Eaton's shot stopper got caught in no-mans-land while committed to taking on Brown, who managed to find Walker on the by-line, unselfishly the Bedford striker squared the ball to Tom Hitchcock, who placed it in the corner of the empty net on his return to league action.

The travelling fans were hoping for another comfortable victory after Bedford's dominant result in the cup against Caddington. Still, Eaton Socon had other ideas and, despite the early goal, put in a strong half against the league leaders.

Tensions were relatively high from the off, with some full-blooded challenges in the opening few passages of play leading to heated

moments off the ball. The referee's whistle became a regular addition to the game, meaning the game struggled to flow.

Despite the early goal, Eaton Socon were keen to get back into the game, forcing Bedford keeper Tyler McGregor to be alert to keep the home side at bay.

Twenty minutes in, Real Bedford had a good chance to extend their lead. Walker again acted as the provider, crossing the ball in from the left towards Matt Clifford around the penalty spot, who headed the ball down to Jordan Brown. Brown's shot, however, was blocked by Eaton defender Hickling, preventing the striker from adding to his goal tally at point-blank range.

Eaton Socon had the last chance before the break and were close to equalising. Striker Stockwell collected the ball on the edge of the area with an ambitious strike on the turn which rattled the crossbar. The home team may have felt that they deserved to be level but Bedford took the slender lead into the half-time break.

## SECOND HALF

In a similar fashion to the first period, Real

# THREE MORE POINTS AT EATON SOCON

Bedford came flying out of the blocks, and it was all too much for the Eaton Socon defence, who found themselves two down in the 55th minute. Whilst beating Eaton defender Woodend for pace, Jordan Brown tangled with the defender on the edge of the box, and the referee pointed to the spot. Socon had reason to feel aggrieved as the replay indicated the clash may have been just outside the box. Still, Luke Knight stepped up and calmly tucked the ball into the bottom left corner of the goal, doubling Bedford's advantage.

As the second half progressed, Bedford began to dominate possession, with the odd attack from Socon failing to produce many clear-cut chances, and in the 71st minute, the league leaders wrapped up all three points. Some superb interplay between Dan Walker and James Duckett opened up some space behind the Socon defence. Duckett squared the ball to Walker, who instinctively struck the ball cleanly towards the keepers near post, bagging his first league goal in 5 games to seal the win for the Pirates.

Bedford hunted for another goal and nearly made it four when Walker broke through the Socon high line as he again ran onto a well-timed ball from Kevin Owusu which put him one-on-one with the keeper. Jeckells did well

to distract Walker from getting the shot away whilst also blocking Jordan Brown's follow-up shot on the edge of the area.

A Luke Knight free kick set up the penultimate chance, and a floated ball into the box found the head of Tom Wood, who rose above the Eaton defenders but failed to find the target with his header. Then finally, with the clock in the red, a corner from Luke Knight found its way towards Clifford at the back post, whose deflected effort rattled the crossbar.

Socon had a chance to bag themselves a consolation goal but some excellent defending from Bedford's newest recruit, Curtis Harley. The defender lunged to block a close-range shot and give Tyler McGregor a clean sheet.

The three goals proved more than enough as Real Bedford bagged another convincing win to maintain their lead at the top of the table.

**RBFC:** McGregor, Hartley, Clifford, McGrath (Corbit, 73'), Wood, J.Duckett, Owusu, Knight © (Culley, 89'), Walker, Hitchcock (Gordon 80'), Brown

# THE AWAY TEAM

## 1968

The football club was formed by employees of the Sileby Engineering company and started off as a Sunday League side playing in local Northampton based leagues

## 1985

The club branched into Saturday football, competing in the Northampton Town league during which time we on back to back championships as well and success in the Gorrell Barnes trophy

## 1987

We reached the Northants Junior Cup final losing to Irthlingborough Diamonds reserves. Following entry into the UCL pyramid the club acquired some land in Fernie Fields and the development of facilities to meet UCL standards

## 1990's

Club flourished under the management of former Cobblers chairman Dick Underwood. Following a sponsorship arrangement the club became known as Vanaid winning the Division One title and adding the Northants FA Junior Cup for the first time, Vanaid also reached the Benevolent Cup final and claimed two Premier Division scalps in the Knockout Cup, but with planning permission for floodlights denied they were unable to

move up to the top flight.

## 1997

Vanaid won the NFA Junior Cup for a second time.

## 2000

The club reverted to the Sileby Rangers name, but fortunes on the field took a downward turn as they finished the season next to bottom.

## 2002

Under manager Nick Verity, Sileby on the Junior Cup again beating Rothwell Corinthians, Sileby repeated the feat in 2003 with the luckless Rothwell Corinthians again missing out in the final, in this season the club also won UCL Division 1 once again

## 2004

The clubs ongoing campaign to install floodlights finally bore fruit and in the summer the installation was completed along with a new entrance gate being installed on the Talavera Way side of the ground. The following year Sileby won the UCL Division One for the third time

## 2010

With an eye to the future the club constructed

an impressive 250 seat stand as well as new terracing

### **2011**

The club management decided to withdraw the Reserve team and Youth team from their respective divisions, with the first team finishing second from bottom in UCL Division 1

### **2012**

The club appointed the previously successful Glenn Botterill as manager and with the assistance of Matthew Green they won the UCL Division one title pipping the extremely ambitious AFC Rushden & Diamonds to the title by two points

### **2013**

The start of the new season saw the club again seeking a new manager and Scott Goodwin took over with just 3 weeks to the start of the season but, after a promising start the club parted company with Scott after only 3 months in charge. Daren Young was appointed as his replacement and after a rocky start he managed to keep the club out of the relegation zone.

The last few years has seen a conveyor belt of managers coming in the space of a few seasons Lee Duffy Andy Hall, Nathan Marsh all came and went. Under the joint management

team of Matt Clarke and Paul Brackwell the club almost inevitably found itself relegated to UCL Division One again.

In 2018 the club appointed Mitch Austin assisted by Craig Mander and Jim Freeman in the hope the revive past fortunes but, in mid-February they and the players chose to leave the club leaving the club with no management team and no players. We were grateful to Marc Ansell and Marc Fisher for stepping in at short notice and putting together a team of local players to enable us to complete the season

The team is now under the management of experiences former UCL player Stuart Smeathers assisted by Fazel Koriya and Aaron Clipston and we are all looking forward to the new challenges of the Spartan South Midland League.

Like most clubs Sileby have struggles with the effects of Covid and made little significant progress on the field, however further development of the facilities has resulted in an extended clubhouse with larger changing rooms for both teams and officials as well as a new catering kitchen, the off the field facilities are now on a par with clubs at a much higher level.
